

MIGRATION TO

AVAYA UC ON CLOUD FOR

Growthgate
CAPITAL

Delivered by

Powered by

OUR CLIENT

Growthgate Capital Corporation is a private investment firm established in late 2007, as a closed joint stock company in the Kingdom of Bahrain. It is engaged in direct equity investments with a focus on the middle market segment. It invests in well-managed, profitable mid-sized companies that exhibit strong growth and expansion prospect in the GCC market and other select countries of the MENA region.

PREVIOUS SETUP

15 user setup PBX & Avaya at Growthgate head office in Dubai and branch connectivity with their office in Bahrain

IMPERIUM DELIVERED

- ✓ Cost Efficient and compact Avaya Unified Communication solution on Cloud
- ✓ Migration of communication centre from on premise to on Cloud effortlessly and shortest downtime.
- ✓ Shifting from IP Office to Avaya Powered by IP Office on Cloud
- ✓ Softphones to give ease of worldwide mobility to sales team while still being connected to office.
- ✓ A secure tunnel connecting Growthgate firewall and Imperium Data centre.
- ✓ Exceptional deployment of Avaya Powered by IP Office on Cloud with best implementation practices and quick migration.
- ✓ Configured internet desk phones for users at the remote office of Growthgate with no infrastructure dependency.
- ✓ A value adding Inaipi Cloud CMS with call activity reports that is easily accessible.

CLIENT REACTION

"We thought of a system we could use for call conferencing at office so the users get mobility and we can save cost"
"The Experience was wonderful, the engineers did a great job. The Migration was completed in a couple of days"
– Mr. Randhir, IT Specialist, Growthgate
